

Educational Programs & Tours

Wolf Haven International offers a wide variety of educational opportunities for students of all ages. Visiting groups can enjoy a guided walking tour of the wolf sanctuary or rare Mima Mound prairie, and add an age-appropriate conservation program based on their special interest. Wolf Haven can even bring a program to your classroom or meeting place. Our newest offering is our virtual classroom featured on CritterZoom.

Over the past three years, nearly 9,000 seniors, students and adults have enjoyed Wolf Haven International Educational Programs & Tours! Participating organizations include:

Parks and Recreation Agencies

- Vancouver-Clark Parks and Recreation
- Auburn Parks and Recreation
