

WOLF HAVEN INTERNATIONAL PHOTOGRAPHY AGREEMENT

Any commercial use or sale of images of Wolf Haven’s sanctuary residents is prohibited. Images obtained are for personal noncommercial use only. Any photographs, digital images, or films taken of the wolves and rights to the images, films or prints made from such will not be sold in any form to any entity or individual. Other persons (including third parties) are not authorized to use the images files as a basis for the creation of any artwork if that artwork is to be used for commercial purposes.

If prior arrangements have been made with Wolf Haven for photographs to be published as accompaniment to an article, story, or exhibition from which Wolf Haven International and its wolves will benefit, it shall be visibly noted that the images were taken at “Wolf Haven International”. Such images may not be used in publications or venues that do not support Wolf Haven’s mission to “conserve and protect wolves and their habitat”.

This agreement shall be governed by the laws of the State of Washington.
By signing this form, I agree to follow the terms outlined here.
