

Tribute

Rocco

bonded pairs, after losing her companion, Sitka started to withdraw and her health quickly declined. On a sunny afternoon we helped our beloved Sitka peacefully transition from this life. We had the honor of burying Rocco and Sitka together in our memorial cemetery, close to each other, as they had always been in life. Knowing them was a gift and their faces, personalities, and the stories about them will remain in our hearts forever. 

Pamela Maciel,
Mexican Wolf SSP Liaison
